Re: Notification of Planned Physical Alteration to the Facility, Cathodic Protection Project,
dated November 13, 2017
Former Chevron Perth Amboy Facility
Perth Amboy, Middlesex County, New Jersey
EPA ID #: NJD081982902

Dear Mr. Mancini:

The U.S. Environmental Protection Agency (EPA) Region 2 and the New Jersey Department of Environmental Protection (NJDEP) are in receipt of a Notification of Planned Physical Alteration to the Facility, Cathodic Protection Project, dated November 13, 2017. NJDEP and USEPA acknowledge that the alterations to the Former Chevron Perth Amboy Facility in Perth Amboy, Middlesex County, NJ will be completed by Buckeye Perth Amboy Terminal LLC, the current owner of the facility, though the November 2017 Notification of Planned Physical Alteration correspondence was submitted by Chevron Environmental Management Company pursuant to the Resource Conservation and Recovery Act (RCRA) and the Hazardous and Solid Waste Amendments (HSWA) Permit of 2013. Both NJDEP and EPA have reviewed the November 2017 Notification of Planned Physical Alteration and find the methods referenced to deal with the contaminated materials encountered during the construction activities, acceptable, effective the date of this letter.

If you have any questions, please contact me at (212) 637-3703 or at vargas.ricardito@epa.gov

Sincerely,
